THE UNCERTAINTY CONTINUES

Regarding The Russian Evacuation of Port Arthur. Reports Received Confirm and Others Deny It Absolutely

JAPANESE NAVAL LOSSES

Operations Centering Around New Chwang. The Last Japanese Attack on Port Arthur Resulted Most Disastrously for the Russians Steamers are Running the Blockade and Carrying Provisions to Port Arthur. No Russians South of the Yalu

Has It? Or Hasit Not?

Wei Zai Wei, March 14.—The Japanese here report that Port Arthur has been captured.

St. Petersburg, March 14.—There is no truth in the reports that the Russians have abandoned Port Arthur. Admiral A. Baza, secretary of the Commissioner in the Far East, authorizes the Associated Press to deny the story. He says the situation at Port Arthur is unchanged, and that nothing of importance has occurred there in the last twenty-four hours.

Tien Tsai, March 14.—The reported occupation of Port Arthur by the Japanese is unfounded, according to a telegram received here at eleven o'clock, which left Port Arthur at seven o'clock Sunday evening. Upon enquiry the riot at Shanghai turns out to have been unimportant.

Odesa, March 14.—The Russian military department will be in a position by the end of June to send five battleships, several cruisers, and about twenty-four destroyers to the far east. The new squadron will be commanded by Vice-Admiral Skrydloff.

Operations around New Chwang.

Tien Tsai, March 14.—New Chwang has become the point toward which the chief interest in the conflict between the Russians and the Japanese now tends. The Japanese are about to strike there. They already have landed a large force at Feng Hui, seventy miles out of New Chwang.

It is expected a part of the Japanese fleet will appear before New Chwang within the next twenty-four hours. The Russians are preparing to evacuate New Chwang. They will retire on Mukden, which they have strongly fortified. A collision between the Russians and Japanese at or near New Chwang is momentarily expected.

Japanese Losses.

St. Petersburg, March 15.—The Russian official list of Japanese vessels sunk or disabled includes the following: The battleship Shikishima and the cruiser Tashima, both repairing at Sasebo; the cruiser Sakushibo, sunk off Chemulpo; the cruiser Natsuno, sunk off Cheloo; an iron cruiser, sunk off Chemulpo; and six torpedo boats.

Japanese Attack on Port Arthur.

Yienkow, March 12.—The Japanese again bombarded Port Arthur on Thursday morning. New Chwang, the new town, was badly damaged. Fifty persons were killed and 150 wounded. The Russian was hit five times and had many casualties. The forts engaged the enemy, who retired without loss. The Russian has been flooded and is now in the east basin.

Blockade Runners.

New Chwang, March 15.—Several junks and small steamers are running the blockade into Port Arthur and carrying provisions. None of these blockade runners have been captured, although several had narrow escapes. Two were sunk by mistake by the Russians.

Russians Buying Provisions.

Ying-Dow, March 15.—With regard to my telegram of March 9, reporting the presence of Japanese troops at Feng Hung Cheng, the runner has evidently been detained. Details are unobtainable, but constant Chinese reports confirm the previous one of Japanese occupation.

Russians are buying all the available food stuffs here. There is great scarcity of everything. Cossacks are scouting fifty miles west of the Liao River.

The News Confirmed and Denied.

Seoul, March 15.—Persistent reports are received to the effect that the Russians have burned and evacuated Port Arthur, and are retreating up the peninsula.

Shanghai, March 15.—Telegrams from Russian sources at Tien Tsai, and from Admiral Makaroff at Port Arthur, absolutely deny that the Russians have evacuated the place.

No Russians South of the Yalu.

Rome, March 15.—The Minister of Marine has received a dispatch from the Italian agent at Tien Tsai, stating there is no sign of Russian soldiers remaining south of the Yalu river.

DOINGS AT OTTAWA

DEBATE ON THE ADDRESS.

Hon. R. L. Borden, rounds up the Government but the Arguments are Defeated by Sir Wilfrid.

(Bulletin Special Dispatch).

Ottawa, March 14.—The address in reply to the speech from the throne, was debated today.

Grant, North, Ontario, moved the address, and Rivet, Hochelaga, seconded it. Sir Wilfrid Laurier, P. L. Borden, and others, spoke.

Borden's attack was very long, and covered many points. It was not forceful on any, however. He made much of Blair's difference with the government and his subsequent appointment.

Sir Wilfrid Laurier replied that Mr. Blair had advocated a policy of delay and had declared himself in accord with the government on every point except the railway, and even more against the railway policy of the opposition.

Blair's appointment was not necessary to get him out of the way politically for the general elections were still in the future.

Sir Wilfrid's speech was quite up to his usual high standard. He seemed to have quite recovered his health.

HOCKEY.

Messrs. York and McLin, managers of the Edmonton skating rink, have donated a set of medals, now on exhibition in the window of E. Raymer's jewelry store, to be competed for by hockey teams representing the Queen's avenue school and the C. M. B. A. school. The games are to take place Tuesday and Wednesday nights of this week, commencing at 7.30 o'clock, after which there will be skating.

JASPER VS. PURCHES. A splendid hockey match took place on Thistle rink last night between hockey teams representing the Jasper house and Purches' boarding house. It attracted a great deal of attention, and the interest particularly increased with the play, as it was seen that both teams were pretty evenly matched, with a little in favor of Purches' boarding house. A large crowd was present and the players received splendid encouragement from the benches. The play was very fast, Till and Gilmore playing strong games for the boarders. During the whole of the first half neither side scored. In the second half the Jasper house team scored once, but the boarders tallied twice.

The line-up of the teams was: Jasper: Goal, Jardine; Point, Moore; Pearce, Moore; Nicholson, Heston; Morden, Centre; Till, Right Wing; Gilmore, Left Wing; McKinnon, Trueeman; Morris, Collier. Chas. Bonferroni made an efficient referee.

PUBLIC HOSPITAL.

The annual meeting of the Edmonton public hospital was held on Thursday last. President A. Taylor occupied the chair, and Jas. McDonald acted as secretary.

The directors' annual report was as follows:—
They regretted the great delay in calling the annual meeting owing to the difficulty in closing and auditing the books. They also regretted the fact that the hospital has been run on a paying basis but for the difficulty experienced in collecting accounts. This has, however, been placed in the hands of a committee to deal with, but the directors would point out that the nature of the work often necessitates a long delay before collection is possible. Taking this into consideration, together with the limited number of beds available, the directors feel that the report is satisfactory and encouraging.

During the year two hundred and four (204) males and one hundred and thirty-six (136) females, making in all a total of three hundred and forty (340) patients, were treated for (4300) hospital days.

The report, after giving a statement of the different nationalities and religions of the patients, which shows that seventeen different nationalities and fourteen different religions were represented, continues:—
The number of patients in 1901 was 199; in 1902, 231, and in 1903, 340.

They would draw the attention of the public, however, to the very great disadvantages under which the hospital staff are called upon to work. For instance the dumb-waiter intended to save running up and down stairs, is too small and has never worked, involving a great deal of extra and unnecessary labor. Then the sleeping accommodations for the staff are not such as nurses should be staffed to occupy, and the hospital is very old, all tending to add to the very discomforts of both patients and staff. In the opinion of the directors it is of vital importance that the question of increased accommodation in view of the ever increasing population. Your directors hope that this meeting will take steps in this direction.

The question of making a proper bazaar for town and country has not yet been solved. The directors would welcome any suggestion in this respect.

To this conclusion, your directors desire and thank the ladies for their valuable and generous assistance. Of the help of the staff, especially under so many drawbacks, too great praise cannot be given. In our opinion, we have a capable manager and a most efficient nurse, and the nurses under her have rendered faithful and untiring service.

The financial statement is as follows:—
Assets \$17,982.82
Liabilities 9,549.30
The revenue account for 1903 shows receipts as follows:—
Hospital grants \$1,138.99
Donations 389.85
Ladies' Aid 222.15
Nurses' and attendance 4,863.65
Hospital tickets 10.00
Audited 71.39

Total \$6,996.34
The expenditure amounted to \$6,911.15, leaving a balance of \$85.19, which is the net earnings over expenditure for 1903.

The trustees' report of the Women's Hospital Aid Society, showed receipts of \$1,017.79 and a balance on hand over expenditure of \$974.41.

Its report of the secretary, Mrs. Fred Ross, stated that the membership roll for the year was 97. The sessions for the year have been very liberal and the society gratefully acknowledged this assistance.

The report of the auditor, Mr. S. C. Coward, was received and adopted. The assistance given the hospital by the Women's Hospital Aid Society is testified to by a motion of Rev. A. A. Gray and Mr. W. J. Webster.

A. A. Gray, the president for 1903, gave a very suitable reply.

Monthly meetings of the board will be held on the second Wednesday of each month in the secretary's office. Rev. H. A. Gray was appointed visiting director for the month. Heartly votes of thanks to the president and the secretary were passed.

SUNDAY SCHOOL INSTITUTE.

The first Sunday school institute will be held in the lecture room of the Presbyterian church, Edmonton, on Friday, April 1st. There will be three sessions: morning from 10 to 12, afternoon from 2 to 4, and evening from 8 to 9.30.

All Sunday school workers in Edmonton, Strathcona and surrounding districts are cordially invited to attend these meetings and take part in the discussions. Sunday school teachers are requested to prepare questions upon practical difficulties they have met with in their work, so that they may go into the question box.

Entertainment will be provided for dinner and tea by resident Sunday school workers. The following is the program:

Morning Session.
10 to 12. How to Know the Bible. Address by Rev. David Flemming, of Strathcona. Followed by discussion.
11 to 12. Sunday School Organization. Address by Rev. C. W. Carey, of Strathcona. Discussion.

Afternoon Session.
2 to 3. Teaching and Methods of Education. Address by Mr. T. E. Pettitt, Inspector of schools. Discussion.
3 to 4. Question Drawer, Conducted by the chairman.

Evening Session.
8 to 9.30. The Teacher Himself; Opportunities and Responsibilities. Address by Rev. Principal Biddell.
It is probable that a permanent Sunday school district organization will be formed at the close of the afternoon session, and that this is only the first of a series of institutes having for their end a better Sunday school.

SAUNDERS AND DRISCOLL

R. J. Saunders, late deputy commissioner of public works in the Northwest government, has arrived in Edmonton and has entered into partnership with A. Driscoll, D. L. S., under the firm name of Saunders and Driscoll. They will conduct a general engineering and surveying business, with their offices in the Bulletin block.

The last issue of the Regina Leader contains the following article regarding Mr. Saunders' departure from that city:

"On Tuesday of last week, the staff of the Public Works Department of the Northwest government surprised deputy commissioner of the department, Mr. R. J. Saunders, after his absence for a few moments from his private office. On his return, he found all the members of the staff had lined up around three walls of the room, while on the table of the fourth side of the room adroit hands had placed some mysterious looking clothes which were not there when Mr. Saunders left his office five minutes earlier. The return of that gentleman was the signal for a good round of applause, and Mr. D. Brown, the accountant of the department, and in point of years the senior member of the staff, in a short speech asked Mr. Saunders to accept an address which the speaker read and also a sterling silver tea and coffee set. The following address was specially decorated and illuminated and contained facsimiles of the signatures of every member of the staff, the whole being suitably framed:

"Dear Sir: It is with feelings of regret that your staff have learned of your resignation as Deputy Commissioner of Public Works. As a most efficient administrator your services will be greatly felt, both by the Department and the public generally, and by each member of the staff as the loss of a true and sympathetic friend. Your kindly counsel and assistance and courteous manner have won the respect and regard of all, and greatly assisted in making our work a pleasure and maintaining our present amicable relations.

"We ask your acceptance of the accompanying memento and hope that the reminiscences of your connection with the staff will be as pleasant to you as they will be to us, and with best wishes for your future prosperity and the happiness of Mrs. Saunders, yourself and family.

We remain,
Yours very sincerely,

"In extending his thanks Mr. Saunders was visibly affected in expressing his cordial appreciation of the motion which had prompted the gift and mode of saying farewell.

"Mr. Saunders left on Sunday for Edmonton, where he is undertaking business in his profession and where he will reside in the future, having resigned the position of Deputy Commissioner of Public Works for that purpose. Mr. Saunders is an old, Athens, Ont., boy, and during his professional career has been City Engineer of Brockville, Ont., and in business in Port William and Port Aransas previous to accepting the position of Deputy Commissioner of Public Works, which he is now leaving to again practise his profession."

BEAVER LAKE EAST.

The building committee for the erection of a house for the Presbyterian church here is Messrs. J. D. McAllister and D. McCallum, Sr., and Rev. W. T. Gold. The sum of \$300 is to be borrowed from the church and manse building fund; the people putting in nearly as much in work and cash.

Joe S. McCallum has been engaged as teacher in this district for 1904. School reopens on March 14th.

The lowest temperature recorded here during the late cold snap was 46 below zero. This has been the longest period of cold weather we have had for many years.

Joe S. McCallum, Sr., has disposed of his stock of goods to John D. McAllister and is giving up store keeping.

The hazard of the Ladies' Aid of the Presbyterian church on the 4th inst. was a great success. The sum of \$56 was realized. This will enable the society to pay off the debt on the organ and have a substantial balance in the treasury. The program was as follows: Chairman's address, Mr. Fane; solo, Mr. Gold; reading, Miss Ritland; trio, Mrs. T. A. Deby, Miss C. E. McCallum, Joe S. McCallum; solo, Mr. Fane; instrumental solo, Miss Deby; recitation, Miss Nettie Fane; song, Mr. Moody; recitation, Mrs. T. A. Deby; quintette, Mrs. M. McCallum, Mrs. Steele, Miss C. E. McCallum, Joe S. McCallum, Rev. W. T. Gold; duet, Mr. and Mrs. Gold; instrumental solo, Miss Deby; song, Mr. Burnett; solo of goods; topical song, Mr. Fane; recitation, Miss Jessie Watson; solo, Miss Ritland; supper; God Save the King.

Rev. W. T. Gold is absent taking Mr. Forbes' work at the East, and Mr. Richards, of Star, is here filling Mr. Gold's place during the latter's absence.

—Hockey match tonight between teams representing the Queen's and the C. M. B. A. school.

—The Edmonton senior hockey club intend visiting Lacombe Thursday night to play an exhibition game with the club there.

—Saunders and Driscoll's survey party left yesterday in charge of Mr. Saunders for west of Pigeon Lake. They expect to be gone about six weeks.

—Members of Court Beaver House A. O. F. are requested to attend the meeting this evening to attend the new members and transact quarterly business.

—The population of Raymond, Alberta, as determined by a house to house census, is given as 1,600 Mormons and 400 Gentiles. There are 253 children under 8 years of age.

—The Indian hockey team of the Dunbar Industrial school took a trip to Oils, Innisfail and Red Deer last week. Red Deer defeated them 7 to 5, Innisfail, 3 to 2, and Oils, in the first game, 9 to 4. The next day the same team turned the Oils 5 to 2, and the Dunbar team won 6 to 2.

—Regina has a daily paper, The Standard, published by J. K. McInnis and Sons, in now being issued as a daily. It is a very creditable eight-page paper with a liberal advertising patronage. The present Territorial capital has long been without a daily paper and the Standard's enterprise is deserving of success.

—The Edmonton Brewing Company has been incorporated with a capital stock of \$100,000. T. W. Lines was successful in interesting outside capital, among the shareholders being Mr. D. R. Ker, general manager of Phoenix-Ker Milling Company, Mr. W. Wilson, director of the Victoria Phoenix Brewing Company, and other well known business and professional men of Victoria, B.C.

—Why Smith Left Home was repeated in Robertson hall on Saturday evening. The hall was well filled and all apparently were delighted with the play. Millard Reid as John Smith, the leading character in the play, was superb. Levis Daly, as the cook was splendid, creating great amusement. The characters all took the parts exceedingly well. This company can rest assured of large houses on future visits to Edmonton.

—In the cooking contest conducted by the Postum Cereal Co. Limited, Battle Creek, Michigan, Mrs. John A. Muerse, Turnip Lake, Alta., N. W. T., won a prize amounting to five dollars, which has been sent to her together with a diploma from the Postum Company. In this contest 735 cash prizes, amounting to \$7,500 were offered, and the best period covered the summer and fall of 1903.

Wolsley, Assa, News.—Mr. J. H. Bell, photographer, late of the firm of Bell & Lomond, accompanied by his wife, left for the west Monday morning, and will probably open up at Edmonton. Mr. Bell has resided here about a year and while in our midst made many friends by his courteous

and genial manner, and his removal will consequently be regretted.

—A copy of La Croix, one of the most unique papers published, comes regularly to the Bulletin office. It is published by the Roman Catholic priest, Rev. Father Lisee, at Yankton, S. D. It is a neat ten-page paper done in magazine style. A hand-made block of a large cross adorns the front page. The first news matter is headed "Nouvelles de la Guerre" (News of the War) and accompanying this article and illustrating it is another hand made block. Notes from out-lying districts, local, personal and miscellaneous matter follow next. Two or three advertisements in two different languages are next given precedence. Articles on spiritual matters complete the number. The most peculiar thing of all remains to be mentioned. The paper is printed in two languages, Cree and French, and precedence is given the Cree, eight pages being devoted to it, and two to the French. The paper is published in connection with the Rev. Father's missionary work.

—One of the most interesting hockey matches of the season was played on Thistle rink Saturday night between teams representing Alberta college and the high school. A large crowd witnessed the game, and the ladies put up a very creditable exhibition of Canada's national winter game. The play was "gentlemanly" throughout. In the first half the high school scored twice to their opponents' once. In the last half the school added another tally. The ladies deserve considerable credit for arranging for the hockey match in the face of a certain amount of public prejudice. Good healthy exercise has a beneficial effect on ladies as on our young men. The teams were as follows: High School—goal, Miss Louder; centre, Miss Lockhart; rover, Miss Tait; left wing, Miss Brandon; right wing, Miss C. Launder. Arnold Johnston gave good satisfaction as referee.

—The high school literary acknowledgement with thanks a donation of books by A. G. Harrison.

—Four and a half inches of snow fell since last night—and it still continues.

PERSONAL

Mr. C. G. Jones, who has been ill at Austinville, is slowly but steadily recovering from his attack of rheumatic fever, and is now able to go about a little.

Will J. Reid has taken a position in the Bulletin office.

—Rev. Mr. Livingstone, of Stony Plain, preached in the Edmonton Presbyterian church Sunday.

L. N. Morrison, recently of Brandon and formerly of Walkerton, Ontario, has taken a position on the Bulletin office staff.

Mr. Arthur Wise, from the west, is visiting his uncle, Mr. O. H. Bush. Miss O. Andrews, of Toronto, is staying with Mrs. Bush on McDougall street.

—Miss Andrews, who has just arrived from Toronto, will open a millinery establishment in the building now occupied by the Crown Tailoring Company.

MEN WANTED

Bracebridge, Ont., Gazette.

The secretary of the Canadian Manufacturers' association, Mr. E. J. Young, has just issued a report that hardly goes to substantiate the cry that the present tariff is the ruin of the manufacturers in Canada. In this report Mr. Young states that a total of 497 hands are wanted immediately by the manufacturers of Canada. A circular was sent out to four hundred and thirty manufacturers to ascertain their present requirements in employees, the result of which is that 1110 men, 312 boys and 1461 girls or women are in immediate demand in Ontario. In Quebec 312 men, 69 boys and 663 girls or women are wanted, in Nova Scotia 330 men are needed, while Manitoba is looking for 80 and British Columbia for 100 men. This doesn't look very much like the declaration that some opposition journals would have us believe is among the manufacturers of the Dominion.

The fact is that Canada is enjoying an era of prosperity in which every class of citizen is having a generous share and no newspaper effort will be able to convince the people to the contrary, no matter how forceful the imaginations of the writers may be or what bad dreams they may have for they conjure up deep, dark prospects for our manufacturers.
